

For young people who  inspire the lives of others

Dear All,

Nominate An Anti Bullying Ambassador For Your School!

We at the Diana Award are pleased to announce the launch of a new, exciting and peer-led programme called the Anti- Bullying Ambassadors Programme. Anti Bullying Ambassadors are the public face of anti bullying work happening in schools and communities across the UK. An Ambassador is a young person who wants to be part of a UK wide network that is putting a stop to bullying.

What does an Anti Bullying Ambassador do?

- ▲ The Anti Bullying Ambassador will act as a spokesperson for anti bullying work that is being carried out in their schools. There are some wonderful things happening across the country with Anti-bullying work and we want to be able to showcase all of these fantastic schemes that schools and young people are involved in.
- ▲ To ensure that the Ambassador's are well equipped to deal with bullying we will be giving them a day's worth of training in your region which will be lead by **Speakers Trust** who are the UK's leading public speaking training organisation.
- ▲ All Ambassadors will also receive an Anti Bullying Ambassador's Information Pack to help them get started.

How do we get involved?

This is your opportunity to make a difference to young people throughout the country! By nominating an Ambassador you will give a young person the opportunity to tackle bullying in an innovative way, with a network of young people so they can share best practice. The Ambassador's Programme will equip them with the confidence and skills to speak out against bullying so the voice of the youth of today is heard by everyone.

So, please nominate today! By nominating an Anti-Bullying Ambassador, you will have a strong youth voice against bullying, and will give a significant boost to a young person's development. You can nominate between 2 – 4 Ambassadors for your school/organisation. Please fill in the reply slip below and return it to me by **Friday 27th May 2011**.

Yours sincerely,
