

## **MA Early Childhood Studies**

The School of Education and Lifelong Learning will be holding an **Information Session** for anyone who would like to find out more about the **MA Early Childhood Studies**. The first five years of a child's life are the most important in their development when they learn to build relationships and learn about the world around them. This degree has been developed to meet the needs of a diverse group of people including early years practitioners, teachers, local authority advisors and Children's Services advisors. Registration is in October 2011.

The Information Session will be held on: **Saturday 25<sup>th</sup> June, 11:00-13:00** at the **School of Education building**.
