

FURNITURE DELIVERIES DURING THE SUMMER HOLIDAYS

We need your help...

Our suppliers would like to be able to deliver as many of your furniture orders as possible this summer.

If your school is open at any point during the summer holidays and there is someone available to accept deliveries we would like to know about it!

When placing orders for furniture, please advise us of any dates you will be open over the summer holidays and contact details of the person who will be on site to take delivery which we can forward to our suppliers.

Deliveries requested for the beginning of September are booking up very quickly, therefore any orders that can be delivered during July and August will help to alleviate any backlog and will ensure that you will have your items ready for the start of the new term!

**Thank you for your co-operation
from all in the ESPO furniture department**
