Green Choices - *Smarter, Greener Procurement*

Welcome to the latest edition of **Green Choices**, full of "**Green**" products and ideas to help make sustainable purchasing easier.

Over the last 12 months we've been busy talking and listening to our customers to get your thoughts, ideas and suggestions on what you would like to see featured in this issue. We're pleased with the result, and hope that this issue inspires you in making greener choices around the school and in the office.

You can see the new range of '**remarkable**' classroom resources, all of which combine innovative design with a strong recycling message and also a major innovation from **Pritt stick** in their greener, larger glue stick which is now formulated based on 90% renewable materials.

Finally, why not enter our **free prize draw** to win one of two family tickets to the **Eden Project** or a **Marmax outdoor bench** made from recycled plastic for your school - see page 28 for details of how to enter..

We hope you enjoy Green Choices!

Look out for our Green tips and ideas throughout this booklet – they can save you money and save energy!

CLASSROOM RESOURCES

Now Available in Clearboard and Blackboard formats!

Allows you to create a portable writing surface from a roll anywhere in seconds. It combines the best bits of a flipchart and a traditional blackboard. As seen on TV.

Sticks using static, to most hard flat surfaces, including walls, glass and wood
No tack or tape required
Leaves no marks
Sheets are erasable and reusable, at least 20 times
Better value than flipcharts - less waste
Use with normal whiteboard drywipe markers
No flipchart stand required
Each sheet measures 600 x 800mm.

Magic Whiteboard

25 sheets on a 20m roll.

147117 Roll **£19.95**

Magic Blackboard

10 sheets on a 8m roll.

166030 Roll **£20.25**

16603P Case of 9 Rolls **£165.00**

Ideal for both the classroom and office;

- For children to draw on
- For group work and sharing
- For remote working
- Sheets can be stuck around a room and on windows allowing anyone to see everyone else's work
- Paper and photographs stick to it (using static) without the need for tape or glue.

Create a whiteboard, clearboard or blackboard from a roll, anywhere - in seconds!

Pull-it...

**convenient
30 metre roll**

Tear-it...

**35 perforated sheets
on a roll**

Stick-it...

**using static to any
hard surface**

Use-it...

**wipe clean, then
RE-USE it!**

SUSTAINABILITY – AN COMMITMENT

remarkable

ECO GAMES

...educating a new 'greener generation'

A BACK TO NATURE RECYCLING RUG AND CURRICULUM CUBES

A key topic for children, this segmented rug covers 9 key areas of study with clear, colourful graphics. Includes two free soft play pocketed cubes (200 x 200 x 200mm) which provide a fun learning aid and allow the teacher to insert topical symbols, graphics and keywords.

X07861

Set **£112.10**

GAMES

B Eco Dominoes

Giant Dominoes and instruction leaflet. Match the positive Eco Domino to its corresponding negative Eco Domino. Teaches awareness of environmental issues and how people can affect change. Self-correcting. Includes 48 pieces. 2-4 players.

153672 Age 3-6+

Set **£9.00**

C Eco Game

C Eco Game

As children move around the board, they learn about the ecosystem and explore water energy and waste cycles. Identifies ways to reduce energy consumption, recycle waste and conserve water. Cause and effect are examined and the impact this has on the environment.

153680 Age 3-6+

Each **£7.80**

D What's Rubbish

Make children aware of what can be recycled with this exciting game. By spinning the spinner, players move around the board collecting bottles, cans, newspapers and clothes for their recycling bins. They then have to decide what goes into the refuse bin whilst also watching out for the litterbug. Suitable for 2-4 players.

99953 Age 5-10

Set **£8.65**

E RECYCLE IT - FABRIC LEARNING CHART

This award winning bright visual display is ideal for highlighting how many of the everyday items we throw in the bin can actually be recycled. Teacher's notes are supplied. Size: 590 x 360mm.

157821

Set **£42.12**

F GREEN EARTH CLEVER CATCH BALL

Energy conservation, recycling and global warming! These topics and more are included on this 610mm green earth clever catch ball. Students toss the clever catch ball around the classroom and where ever their left thumb lands, determines the question they must answer. Includes 107 questions and a teacher's guide with answers.

159751

Each **£8.18**

*Did you
Know?*

On average every person in the UK throws away their own body weight in rubbish every seven weeks!

A RENEWABLE ENERGY EDUCATION SET

A modular experiment set designed to demonstrate the workings of a complete clean energy technology system on a miniature scale. Including: a Wind Turbine Kit, a Solar Photovoltaic Panel, an Electrolyser, a PEM Fuel Cell and a Hydrogen Storage System.

X21781

Set **£148.00**

B HYDRO CAR

The hydro car uses clean hydrogen stored in water using a reversible polymer electrolyte membrane (PEM) fuel cell. Watch as oxygen and hydrogen gases are formed in two transparent water containers at the back of the vehicle.

159824

Each **£58.65**

C H-RACER 2.0 FUEL CELL CAR (WITH INFRA-RED REMOTE CONTROL)

Uses PEM fuel cells. The H-Racer 2.0 embodies the design concepts behind today's most cutting edge automobile designs and clean fuel systems. Includes: 2 Fuel Cells, Solar Panel, Car Assembly Kit, Infra-Red Control Device and Hydrogen Refueling Station.

X21801

Each **£81.00**

D RENEWABLE ENERGY KIT

Designed to make the understanding of renewable and sustainable energy generation an exciting and tactile experience using solar, wind and water power. For use indoors or outdoors. The monitors are activated when enough power is produced to power them.

123757

Kit **£45.50**

E WIND POWER CONSTRUCTION SET

This set will encourage the investigation of how wind generates electricity and power. Charges a battery and lights a LED. Wind Power promises to be an energy source of the future and this set helps students understand how it works.

153125

Set of 173 pieces **£22.75**

F WATER POWER

This set will encourage the investigation of how water generates electricity. Charges a battery and lights a LED. Hydro-Electricity promises to be an energy source of the future and this set helps students understand how it works.

153079

Set of 165 pieces **£22.75**

G GENERATOR KIT

Build your own generator using this superb kit. There is a colourful guide to show how. This stimulates the discovery of how energy is created, particularly using air and water power.

153109

Set of 81 pieces **£19.15**

Eco Fun

- Award-Winning Classic Toys
- Made from 100% Recycled Plastic
- Promote Recycling from within the Classroom
- 100% Recyclable
- Built with safety in mind - All Green Toys conform to EN-71 and do not have any external coatings.

Recycling Truck

100% recyclable. 300mm length.

169587 Age 1+ Each **£16.25**

Dump Truck

100% recyclable. 250mm length.

169579 Age 1+ Each **£16.25**

Tug Boat

Measures 230 x 110 x 110mm height.

169609 Age 6 months+ Each **£8.10**

Chef Set

Frying Pan is 200mm long. Dishwasher safe.

169552 Age 2+ Set of 5 pieces **£10.53**

Tea Set

160 x 900mm height. Dishwasher safe.

169595 Age 2+ Set of 17 pieces **£16.25**

Dish Set

Plates are 150mm diameter. Dishwasher safe.

169560 Age 2+ Set of 24 pieces **£13.80**

Earth-friendly packaging.

- 100% recyclable cardboard packaging
- Easy to open with no twist ties or plastic

ECO HOUSE

Designed for play with realistic features that would be seen in a real Eco house. It has a garden roof and the walls are extra thick and insulated, as is the floor to retain the heat and use less energy. The roof has solar panels, the accessories include a wood burning stove, wind turbine and recycling bins, plus a complete set of furniture. The house and accessories are made from replenishable rubber wood and it comes with a booklet explaining the different eco features in a story that young children will be able to understand.

Size 500 x 500 x 465mm.

What is an ESPO Green Star Award?

It is an award given by ESPO to a cleaning product judged to be the most environmentally friendly in its category.

See page 1000 of the ESPO catalogue for a more detailed explanation.

SUSTAINABILITY – AN ESPO COMMITMENT

ECOFORCE

The ecoforce range of cleaning chemicals delivers outstanding cleaning results and is independently awarded the Ecolabel; the official European environmental standard. The European Ecolabel was established in 1992 to encourage businesses to market products and services that are kinder to the environment.

To be awarded this highly regarded environmental mark, the chemicals performed as well as, or better than market leading products in independent tests. The result is peace of mind for the customer that our products are truly 'green'; safer for aquatic life; use less hazardous materials, are kinder to the environment and perform to the highest level.

A Multipurpose Concentrated Detergent

Multi-purpose neutral detergent. Ideal for use on laminate, terrazzo, ceramic, glass, metal, stainless steel and painted surfaces.

169005 5 litres **£5.89**

16900P Case of 2 x 5 litres **£11.51**

B Heavy Duty Multipurpose Cleaner

A heavy duty cleaner & degreaser for the removal of oil and grease from heavily soiled floors and hard surfaces. Also recommended for use on Altro and modern safety flooring.

169013 5 litres **£5.98**

16901P Case of 2 x 5 litres **£11.68**

C Floor Maintainer

Detergent and slip resistant polyethylene polymer for the routine maintenance of all floors treated with emulsion polishes. Cleans, polishes and deodorises.

169048 5 litres **£6.63**

16904P Case of 2 x 5 litres **£12.95**

D Washroom Cleaner

Concentrated citrus fragranced descaler and cleaner for bathroom fittings, tiles, ceramic surfaces, shower cubicles. Rapid removal of water marks from taps, tiles, glass and plastic.

169056 5 litres **£4.62**

16905P Case of 2 x 5 litres **£9.02**

E Hand Wash

A freshly fragranced daily use hand wash made from high grade components. To be used in conjunction with a bulk fill dispenser.

169064 5 litres **£4.28**

16906P Case of 2 x 5 litres **£8.35**

F Daily Toilet Cleaner

A citric acid descaler and deodorant. The viscous formulation maximises surface adherence for improved performance.

169072 750ml **£1.34**

16907P Case of 12 x 750ml **£15.57**

G Washing Up Liquid

A readily biodegradable neutral detergent. Gentle on the skin. Suitable for all domestic and commercial hand dish washing with excellent foaming properties.

169080 5 litres **£5.61**

16908P Case of 2 x 5 litres **£10.95**

169099 750ml **£1.65**

16909P Case of 12 x 750ml **£19.35**

H Catering Cleaner

A fragrance free heavy duty cleaner & degreaser for heavily soiled floors and hard surfaces. Can be used on Altro and modern safety flooring.

169102 5 litres **£5.45**

16910P Case of 2 x 5 litres **£10.65**

All products are not tested on animals and are biodegradable.

SUSTAINABILITY – AN COMMITMENT

activeion™
CLEANING SOLUTIONS

ACTIVEION TECHNOLOGY

CLEANS as well as or better than traditional cleaning chemicals

KILLS 99.9% of harmful bacteria including the pandemic 2009 H1N1 influenza A virus

PROTECTS 100% of your employees, students and guests

Developed from advanced, high-cost technology used in food-processing plants and restaurants, the ionator EXP™ uses ionisation to convert tap water into a powerful cleaner that has been tested and confirmed to kill 99.9% of:

Pandemic 2009 H1N1 influenza A virus

E. coli

E. coli 0157:H7

VRE

Pseudomonas

Salmonella

Staph

MRSA

Listeria

(EPA Est. #086143-MN-001)

ACTIVEION GENERAL PURPOSE CLEANER

Ideal for schools, the new ionator EXP™ helps you keep high traffic, multi-touch environments clean and safe from harmful bacteria. It cleans using only tap water, without any need for chemicals. Use throughout your school for general purpose cleaning, breaking down grease, carpet stains and cleaning glass, chrome, stainless steel and mirrors.

Reduce Cleaning Chemical Usage
Reduce Cleaning Costs
Protect Children and Staff

REMANUFACTURED INK CARTRIDGES

Environmentally Friendly Compatible Consumables

Ricoh are proud to offer an extensive range of compatible toner and ink cartridges which provide **significant cost savings** without compromising on quality. Ricoh works to stringent quality standards, operating in accordance with ISO9001:2000. Furthermore the company operates an Environmental Management System conforming to ISO14001:2004. With a proven commitment to customer satisfaction Ricoh offer a complete technical back up and peace of mind guarantee which applies to both the cartridge and the printer it is ultimately installed in.

The Complete Guarantee

- Each cartridge will at least match the print quality of the original manufacturer
- The Page yield (number of copies from a cartridge) will at least match that of the original manufacturer
- A complete peace of mind 'no quibble' returns policy if you are anything less than 100% satisfied with our product - all products are guaranteed for 1 year from date of purchase
- We guarantee that, following inspection by our engineer, if one of our cartridges damages a printer we will repair or replace it free of charge.

RICOH

*For the full range of Remanufactured Ink Cartridges,
please see pages 146 and 147 in the ESPO 2011 - 2012 General Catalogue.*

BATTERIES & LAMPS

A Electronic Timer

7 day/24 hour with digital display. For use with appliances up to 3KW. Requires one AAA battery (supplied).

21385 Each **£5.85**

B PANASONIC POWER RECHARGEABLE BATTERIES

52856 (AAA) P03P 1.2 volts Pack of 2 **£2.56**

52373 (AA) P6P 1.2 volts Pack of 4 **£5.44**

52794 (C) P14P 1.2 volts Pack of 2 **£7.89**

52805 (D) P20P 1.2 volts Pack of 2 **£7.89**

52783 P22P 9 volts Each **£5.43**

PANASONIC INFINIUM RECHARGEABLE BATTERIES

Due to its resistance to discharging, the batteries come fully charged and ready to use straight from the packet. Holds 80% of their charge 6 months to a year after charging.

C 134619 Size AA Pack of 4 **£5.44**

D 134627 Size AAA Pack of 4 **£5.00**

Infinium/EVOLTA Battery Charger

Charges AA and AAA size, 90-300 minute charging time. LED Charge Lights and Safety Cover.

138428 Each **£10.45**

Universal Battery Charger

Suitable for standard rechargeable batteries. Can charge two or four: P20, P14, P6 or P03 batteries at one time, or one 9 volt size battery.

52683 Each **£13.98**

FREEPLAY PORTABLE LIGHTING

We harness human, solar and rechargeable energy to power durable, portable devices.

E ML-1 Mini Latern

No bulbs to burn out, or disposable batteries to replace, and you can power it yourself when needed. Includes a replaceable battery pack.

163333 Each **£24.00**

F Sherpa

LEDs provide excellent brightness, efficiency and shine time with their longevity providing the peace of mind of never needing to ever replace bulbs again. The self-charge system offers maximum dependability for those times when you can't afford to be left in the dark by dead batteries.

163341 Each **£16.30**

G Kito

A self-powered flashlight. It can provide 30 minutes of light from only 30 seconds of winding. The Kito will always work - just wind and you have light.

163384 Each **£12.10**

H Freeplay Companion

This AM/FM Radio/Flashlight is big on functionality, but small in size. The flashlight has 3 LEDs with optics optimized for a focused light. Offers a choice of self-charge, solar and external recharge power options.

163368 Each **£15.90**

We now feature an extensive range of low energy bulbs and tubes.

Please see pages 1189 - 1191 of the ESPO 2011 - 2012 General Catalogue.

Did you Know?

One recycled plastic bottle would save enough energy to power a 60-watt light bulb for 3 hours.

WIN WIN!..

Two Great FREE Competitions for you to enter...

Win a family ticket to the Eden Project...

ESPO is offering Green Choices customers the chance to win a family ticket to the Eden Project near St Austell in Cornwall.

The Eden Project is an award winning tourist attraction, a rich, global garden where people can learn about nature and get inspiration about the world around them; and we have 4 family tickets to be won in our prize draw.

To be in with a chance of winning one of our family tickets, all you need to do is e-mail your answer to the question below along with your contact details to: marketing@espo.org with the subject title as "Eden Project"

How many jobs does recycling 10,000 tonnes of waste create?

The draw will be made and winners notified on 1/8/2011
*A family ticket is valid for 2 adults and up to 3 children.

Good Luck

eden project

Four Family Tickets to be won!

Hint;
The answer can be found somewhere within this flyer!
