Norfolk Integrated Education Advisory Services (NIEAS)

School Leadership, Improvement and Development

Our traded services support and promote:

- o Quality early years to Key Stage 4 education and beyond
- o Leadership teams to flourish
- o Direction setting and self-evaluating schools
- o Curriculum innovation and inspirational teaching
- o Young people and children becoming life long learners.

This team of advisers is highly experienced and very used to working with schools across Norfolk in providing bespoke and proven support and consultancy. They work across all phases, offering guidance on whole school matters such as teaching and learning and assessment as well as subject specific issues.
