

# We're having a party

## Why don't you?

**We want to encourage as many Norfolk communities as possible to organise their own Diamond Jubilee celebrations in 2012!**

If you have something planned to celebrate 60 years of The Queen's reign, either over the official weekend of 2-5 June or at other times during the year, and would like to know where to start, email us at [diamondjubilee@norfolk.gov.uk](mailto:diamondjubilee@norfolk.gov.uk) to let us know what you are planning or if you need some help and advice.
