

Supporting children who are bereaved in school communities

CRITICAL INCIDENT SUPPORT TEAM EDUCATIONAL PSYCHOLOGY AND SPECIALIST SUPPORT

Did you know, that 3% of children have experienced the death of a sibling or parent? **This half-day training event is designed for any staff who work with children or parents in schools.**

It is free to all LA Schools and those schools/academies, which are subscribing to the CI Service. There is a small charge for other independent schools/academies.

Children who are bereaved, often turn to adults they have a trusting relationship with, and within schools this can include their Class Teacher, Teaching Assistants, Instructors, Midday Supervisors, Administrative and other staff. Parents often talk to the School Secretary or the Parent Supporter in the school.
