

‘Roll up, roll up!’ for a special book sharing challenge and meet *Mildred the Crocklebog!*

If you have a child with an autism spectrum disorder, bring them along to a special event to be held at **Wymondham Library** on **Wednesday 3rd August** from **2:00 – 3:30**. Siblings welcome.

Tom Blofeld, Vice President of *Autism Anglia*, children’s author, and creator of *BeWILDerwood The Curious Treehouse Adventure Park* will share a story with the help of *Mildred the Crocklebog*.

There will be circus related crafts and activities, and all children attending will receive goodies and a free collector’s folder for the *Summer Reading Challenge*, run by *Norfolk Library Service*.

The challenge, which is for all children aged 5-11, encourages them to enjoy reading and sharing books and magazines that interest them, and to collect medals and certificates for doing so. You can take part at any library in Norfolk throughout the summer holidays.

Contact **Wymondham Library** to book for the event as places will be limited in order to create a supportive environment.

Telephone: **01953 603319** or
Email: **rachel.harriss@norfolk.gov.uk**

Wymondham Library, Back Lane, Wymondham NR18 0QB
There is a large car park next to the building.
