These half day courses are designed to **support** Teaching Assistants who regularly support maths classes or work with small groups of students in **developing** numeracy. These courses aims to **enable you** to:

- develop your expertise in supporting children with maths/numeracy
- take a lead role in supporting other Teaching Assistants to develop their skills within maths support
- further develop your own understanding of approaches to mathematics learning for specific areas
- work with individual pupils and small groups
- support pupils with additional needs including SEN and G&T
- lead learning through fun maths activities

Cost per session: £90 (Norfolk LA Maintained Schools), £100 (all other clients)
