

EMI - Instrument and Equipment Awards

The EMI Music Sound Foundation Instrument and Equipment Awards provides grants to schools and individuals in full time education to help towards the purchase of musical instruments and/or equipment for those who require the equipment to fund music education.

The Foundation also funds courses and training opportunities for music teachers who work within schools.

Eligible applicants include:

- Schools to fund music education (with the exception of statutory national curriculum music teaching).
- Individuals in full time education to fund musical instrument/equipment purchase (preference is given to under 25s).
- Music teachers working within schools to fund courses and training.

Grants of up to £2,000 are available.

The closing date for applications is Friday 10 February 2012. Any applications received after this date will be passed onto the next Trustees' meeting.
