

## **ESPO 2011 Christmas Card Painting/Drawing Competition for Pupils Aged 7-16 Years**

This year we have continued with the two age categories based around the National Curriculum key stages:-

- **pupils aged from 7 up to 11 years at 31st August 2011**
- **pupils aged over 11 up to 16 years at 31st August 2011**

There will be six winning designs from both categories (see below) and an overall winner whose card will be printed and used as our 2011 Christmas card which is sent to all our customers and suppliers.

Entries should:

- **take account of the National Curriculum attainment target for Art & Design**
- **have a spiritual and cultural element which celebrates Christmas.**

The entries will be judged on the following criteria:

- **imagination**
- **degree of skill displayed**
- **use of colour and variety of media**
- **relevance to Christmas**

The entries should be A5 size (148 x 210mm), one entry per pupil, using any medium except collage. As the winning design will be printed onto card no glitter, appliqué, collage etc as these do not reproduce very well and will have to be excluded from the competition. All entries must be original works, i.e. no copies can be accepted.

All entries should be received by **Friday 4th November 2011** accompanied by the completed entry form overleaf.
