

ESPO 2011 Painting/Drawing Competition

OLYMPIC SPORTS CALENDAR COMPETITION

This year ESPO is using an Olympic sporting theme to illustrate the 2012 calendar.

Two age groups are invited to participate with six winners from each group chosen for the calendar:

• pupils aged 7 - 11 years on 31st August 2010 • pupils aged 12 - 18 years on 31st August 2011

The 12 winning pictures will be featured on our 2012 desktop calendar sent to all ESPO customers in the New Year. There will be six winning designs selected from each age group with an overall winner that may also be used as the front page of the calendar. We are asking for pictures that portray aspects of sport.

This may include images of sporting heroes from past and present olympics; sporting equipment; concepts that are championed by the olympic ethos, such as teamwork, determination, perseverance, fairness and respect of other nations and cultures. The quest to win and pursuit of excellence are key elements that drive athletes to perform beyond expectations; qualities to be encouraged in all aspects of life and especially in education.

***Olympic rings, logos or badges must not be used as they are registered trademarks and cannot be used without permission in a commercial context. Only registered sponsors are allowed to use the olympic rings and other olympic logos on commercial print.**

The intention is to produce a desktop calendar that celebrates all aspects of olympic sporting excellence.
