Secondary Information Session

Train to teach with our one year, full time Masters Level PGCE

Teaching is a career which provides variety, challenge, and both emotional and financial rewards. Find out more about teaching in the Secondary school age range (11-18 years) at our **Secondary Teaching Information Session** where representatives in the following subjects will be on hand to answer your queries:

**English, Geography, History, Mathematics,
Modern Foreign Languages,
Physical Education, Religious Education,
Science** (with specialisms in Biology, Chemistry or Physics)

The Postgraduate Certificate in Education (PGCE) course offered by the University of East Anglia leads to Qualified Teacher Status and 60 credits at Masters Level.
