ITV Daybreak's Donate a Coat with The Salvation Army

21-25 November 2011

It's a fantastic way to help those less fortunate this winter. We've all got a coat in our wardrobe that gets overlooked or is hardly worn!

So why not get into the community spirit this year, spread the warmth during the cold months, donate your coat and make it feel loved again.

We'll be helping families in need, older people and the homeless.

All you need to do is give us your unwanted coat and we will give it to someone else that needs it.

IT'S THAT SIMPLE!
