

# **Stonewall Survey for Lesbian, Gay or Bisexual Young People**

Five years on from Stonewall's ground-breaking research *The School Report* we're once again calling on lesbian, gay and bisexual young people to tell us what life's like for them in Britain's schools today. Young people aged 11 to 19 can take part in the survey – just delete my message and forward the E-flyer below or email us at [info@stonewall.org.uk](mailto:info@stonewall.org.uk) for posters to help promote the survey. If you'd like further information about the research, please follow the link on the page below.
