THE ROUTE

The Norwich Santa Run and Reindeer Dash 2011 is approximately 2km long. Don't worry it's not a race and there'll be plenty of signs and stewards along the way to keep you on track. As you cross the finish line you will be given your much deserved medal!

CLOTHING

We can guarantee that you will have a great day, what we can't guarantee is the weather! Please check the weather forecast and be prepared for all possibilities. Don't forget to wear comfortable shoes/ trainers/ walking boots as every step you take will help make lives better for young people in and around Norwich.

FOOD AND DRINK

There is a café on site offering bacon rolls, hot and cold drinks to purchase.

HOW MUCH SPONSORSHIP DO I HAVE TO RAISE & WHERE DO I SEND IT?

We ask that everyone endeavours to raise a minimum of **£25**. But remember the more you raise the more children we can help. I have enclosed a sponsorship form to get you started.

WHAT TO DO NOW

Please complete and return the enclosed registration form and return this to me along with your Cheques made payable to CLIC Sargent so that we can send you a fundraising pack.
