BEFORE YOU SIGN UP...

Please find here an independent not-for-profit information service for young people (and those that work with them) who are thinking of joining the armed forces - <http://www.beforeyousignup.info/> - it provides young people, parents, youth workers, teachers and others with a balanced view of the pros and cons of joining the armed forces. As you will know, young people can join the armed forces from age 16, at which point they make a major legally binding commitment that lasts for several years.
