

MANDARIN—AIMED AT YEARS 8&9

Said to be one of the hardest languages to learn, Mandarin provides a great opportunity for gifted linguists and those who like a challenge. Mandarin is the official language of China and spoken by over 1 billion people. The workshop will explore basic conversations, sentence structure and Chinese numbers

DJ HERO—AIMED AT YEARS 8&9

Could you organise and run your own under 18's club? This workshop, run by an amateur DJ, is all about marketing. Spend the day planning and creating your very own music club and have the opportunity to take on business roles within your group. Make sure that by the end of the day you are ready to present your unique music club to an audience!

fun, challenging and
exciting day?**

**Do you want to learn
new things?**

Choose from the following exciting workshops. The workshops run from 10am-3pm, so you can only attend one!

COMMEDIA DELL'ARTE—AIMED AT YEARS 8&9

Love drama? Interested in learning about a *different* type of theatre performance? Why not come along and spend the day learning about Italian comedy—the root of Punch and Judy and Pantomime. Make a mask and learn how to use physical theatre to get endless laughs from your audience.

"Scapin" director and mask designer - Alysa Ravenwood

PRINTING PROCESSES—ETCHING, COLLOGRAPH CONSTRUCTION AND MONOPRINTING—AIMED AT YEARS 8&9

Keen artist? Why not come along and give yourself the opportunity to use exciting artistic equipment? Learn how to etch, collograph and monoprint and come away at the end of the day with your very own art work.

PHILOSOPHY: BIG QUESTIONS - AIMED AT YEARS 9&10

For the ultimate challenge come along and learn about what philosophy actually is and give yourself the opportunity to answer the big questions that this subject raises. How does the mind work? What is truth? Is there a God? What makes something right or wrong? Leave this session having developed your critical thinking and problem-solving skills.

THE MODERN WORLD AND WHAT IT MEANS TO US—AIMED AT YEARS 9&10

Come and spend the day exploring the modern media. Begin by thinking about the reliance we have on technology and the media in our modern lives, and move onto considering the darker side of the modern media. You will leave this session with a whole new take on why you can't always believe what you read.
