

Calls and Lines Framework agreement

ESPO customers - now it's easy to cut your phone bills by 40%!

A message from ESPO

Do you know you could save a fortune on your phone bill by switching to the ESPO Contract 7? I have personally helped over 200 schools save an average of 40% simply by switching their calls and line rental to Gamma.

I am offering to visit any Norfolk school interested in saving money on phone services or to discuss any other ESPO contracts.

Peter Legind - ESPO Account manager, Norfolk.

The framework agreement covers the following telephony products:

- Calls
- Line rental
- SIP Trunks
- Line installations

Who are Gamma Network Solutions?

We are part of the Gamma group, the UK's 4th largest voice carrier with over 180,000 business and public sector customers.

What makes us different?

We have worked closely with ESPO and Pro5 to offer a calls and lines tariff which is the most competitive published tariff available to public sector and charitable organisations in the UK.

The service is also backed up by enhanced service level agreements including 24/7 cover.

“ Since Gamma started working with us we have been very pleased with the professional approach and attention to detail of the team. We have a number of key drivers. We want a cost effective service and a supplier who can help us manage our infrastructure and avoid unnecessary costs. To date Gamma are delivering on all counts. The fact that we can call Gamma – and be able to speak to our account managers we know by name - is a real bonus. ”
