

Family Voice Norfolk is hosting its second full day conference for the parents and carers of children with special and additional needs. This is a unique opportunity to have your voice heard and to learn more about the services and resources that are available to you and your family. We have invited a wide range of professionals who will be delivering **specialist workshops**, and will be available to answer specific issues.

All places are **free** but they are limited so book early to avoid disappointment.

Speed dating style information sessions

We have also arranged for service providers to offer free 15 minute consultation sessions (bookable on the day) where you can discuss specific issues with professionals on a one to one basis.

Workshops

Throughout the day there will be a series of 30 minute workshops run by providers from Children's Services, Health, Education and the Voluntary Sector. They will share information on a range of topics and listen to your experiences.

Stands and Networking

We have invited a number of specialist organisations, who can have a positive effect on your family, to come and have stands at our conference, for you to look round throughout the day.

Conference and Exhibition

For the parents and carers of children with special and additional needs

John Innes Centre, Norwich, NR4 7UH

Saturday 10 March 2012
Open from 9.15am to 4pm

Free
including refreshments, lunch
and a specialist crèche

Come for as long as you can

The conference will be opened by Tom Garrod, Children's Services Deputy Cabinet Member for Vulnerable Children, followed by a talk from Sue North, Director of Operations, Strengthening Parent Carer Participation, Contact a Family. The afternoon session will start with a presentation from Chris Walton, Head of Democratic Services, Norfolk County Council and Mary Legard from Norfolk LINK on 'Developing a Local Healthwatch for Norfolk'.
