Preparing for the implementation of Revised Teachers' Standards 2012 and Performance Management/Capability Arrangements

This full day course is aimed at Headteachers, Deputy/Assistant Heads, Senior Teachers, Chairs of Governors/Personnel committees, School Business Managers, Performance Management Reviewers

The purpose of the day is to give delegates a clear understanding of the major changes to Teachers' Standards and Performance Management/Capability Arrangements that apply to all maintained schools from September 2012.

Objectives and Outcomes:

- Understanding the revised teachers' standards and how they will impact on performance appraisal arrangements
- Enable delegates to develop plans to ensure that they can implement the new arrangements smoothly
- Address queries, concerns or challenges in regard to the revised arrangements
- Secure understanding between the revised standards, teacher accountability, professional development and pupil performance
