

Do you want activities at your school for young people to access this summer?

Do you want them to be exciting and creative?

Do you want a high quality provider like The Garage to organise them for you?

Do you want to get it all at no extra cost to your school?

If the answer is yes to the above questions, you need to register with the DfE for their summer school funding **BEFORE THIS MONDAY (30TH APRIL 2012)!**

All you need is your school URN and an idea of how many people you want to provide activities for (we suggest up to 25).

You can claim up to **£500** per young person to provide a **2 week summer school at your school**. We have put together exciting one and two week packages that do all the work for you, we can even provide the flyers, posters and letters home, all you have to do is provide the participants!

This summer you could be providing: Beat-boxing, Break Dance, Street Dance, MC-ing, Stage Combat, Glee Musical Theatre, Acting, Cheerleading, Stage Makeup and much more....

If you want to register with the DfE for funding to provide summer school activities, you can do so here: <https://www.prolog.co.uk/summerschoolsregistration/register.xhtml>.
