

## Professional Network 2011/12

### Summer Professional Network Meeting

The professional secondary science network enables schools and academies to access specialised advice from Adrian Tebbutt (Adviser), keep up to date with key developments and collaborate with teachers in similar roles in Norfolk and beyond.

These termly meetings:

- facilitate cooperation, mutual support and sharing of resources and ideas amongst schools
- ensure delegates are kept abreast of international, national and local developments and issues relating to the curriculum and the Subject Leader's role
- provide an opportunity to raise the level of competence and confidence in areas of subject leadership and management, teaching and learning and achievement of all pupils.
