Summer Professional Network Meeting

Our professional secondary English network enables schools and academies to access specialised advice from John Woodhouse (Adviser), keep up to date with key developments and collaborate with teachers in similar roles across Norfolk and beyond.

These termly meetings aim:

- to ensure subject leaders are kept abreast of international, national and local developments and issues relating to the curriculum and the Subject Leader's role
- to facilitate cooperation, mutual support and sharing of resources and ideas amongst subject leaders
- to provide an opportunity to raise the level of competence and confidence in areas of subject leadership and management, teaching and learning and achievement of all pupils
- offer an opportunity for discussion and debate.

The summer term meeting will include: local and national news and developments; the place of grammar in the English classroom and across the curriculum; the new GCSEs – how has it gone? Making data work for 'us' as well as 'them'; issues from the floor.
