Further Information

The Norfolk Schools Forum is an important statutory body which makes decisions on certain school funding issues and, at times, must be consulted by the Local Authority on other funding decisions. It is vital that governors are fully represented on this influential body.

The Norfolk Schools Forum meets around seven times throughout the year; the meetings are in the Norwich area and may be in the morning or the afternoon. They will usually be held at South Green Park, Mattishall. It must be stressed that governors who take on this role must be available to attend meetings which take place during the working day. If governor representatives are unable to attend they must contact the clerk of the NGN to arrange for a substitute to attend. The Governor will take office on 31st July 2012 and the term of office will be until 31st December 2016.

The rules for electing governors to the Norfolk Schools Forum can be found on the NGN website, www.ngn.org.uk - click on 'Schools Forum' under 'Groups We Work With'. These have been reviewed and revised to reflect current constitution and responsibilities of the Schools Forum

If you would like to talk to a governor who is a current member of the Schools Forum please contact
