Summer Artists at Gallery Plus

We've recently taken on some new artists, so we would like to give you a bit of an update.....

- ***HJ Jackson***

The declining fishing industry features strongly in John's linocuts. The multiple layers of ink result in a 'treacly' appearance which helps to give them the look of working vessels.

- ***Thorayya Mears***

Thorayya's arts practice is concerned with painting private domestic interiors, painted with intricate realism, portraying the people who live in them through the objects and space that make up their domestic life.

- ***Martin Mossop***

Martin's paintings explore light in the city and the observation of people in the urban landscape, playing with this idea further through the dream-like quality of his paintings, evoking the possibility of the inner 'soft' soul in our contemplation and response to the work and life in modern cities.

Finally not forgetting this summer's Major Exhibition...

Boats by Trevor Woods

Trevor's exhibition opens next month with a vibrant collection of over 30 new paintings inspired by the shapes and colours of the many and varied boating activities around Norfolk. The show is the result of six months of research and painting, offering the observer a vivacious take on every day activities associated with boats, from sailing to fishing.

This exhibition is one not to be missed! It opens with an all-day-preview on

Saturday 11th August from 10am – 7pm and continues daily until **Sunday 26th August**.

Volunteers, Hungate Medieval Art

Closes Thursday 1 November 2012 Unpaid (volunteer) Part time

Contact: Holly Howarth h.howarth@uea.ac.uk

'Heaven's Gate' Hungate Medieval Art, Norwich

July 28 - November 4, 2012

'Heaven's Gate' is an exhibition about the role that painted rood screens played in the life of the laity in the Middle Ages. Usually commissioned by the community that frequented any given parish church, the rood screens of Norfolk help us to understand the power of medieval imagery; it inspired delight, devotion and, later, even destruction. The exhibition also showcases the outstanding craftsmanship of medieval painters and carpenters, whose works have survived for more than half a millennium. By combining photographs and some key paintings loaned from Norfolk churches, 'Heaven's Gate' will explore one of the most important means of religious communication before literacy became widespread

We are looking for volunteers with an interest in Medieval Art who are willing to give a few hours of their week to help invigilate this exhibition and assist with events.

Through the £750,000 Artists' International Development Fund the Arts Council offers grants of between £1,000 and £5,000 to individual freelance and self employed artists based in England to build links with artists, organisations and/or creative producers in another country. The fund is open to individual artists, including creative producers, curators and editors. Although the Artists' international development programme is aimed at individual artists, small groups of artists who normally collaborate in their work can also apply. This could include, for example, musicians and visual artists who usually create work together, or writers and their translators.

The closing date for applications is the 5th October 2012. Read more at:

Funding for Youth Music Making Activities (England)

Youth Music, the UK's largest children's music charity, has announced that the next closing date for first stage applications is 5pm on the 10th October 2012. Through its "Open Programme", grants of between £5,000 and £30,000 are available to support projects that provide music-making activities for children and young people, especially those young people in challenging circumstances.

These circumstances can encompass anything from:

- Mental health issues
- Special educational needs
- Physical disability
- Rural isolation
- Economic deprivation.

Youth Music will fund non profit-making organisations more than one year old that is committed to music-making activities for children and young people up to 18 (or up to 25 if they have special educational needs, disabilities or are in detention).

Youth Music aims to support music making activities principally in out of school hours such as during weekends, holidays as well as in breakfast and after schools clubs. Youth Music understands that programmes may need to begin in school hours especially if the proposal involves encouraging first time participation in music.

To help with this, Youth Music will consider applications for programmes where up to 25% of the time is spent in school hours. The proposed programme should aim to encourage children and young people to eventually make music outside of school hours.
