Course Context/Audience:

NQT Training Programme 2012/2013

This programme is designed to ensure that as an NQT you have a firm understanding of all aspects within the teaching profession, receive specialist training in areas identified for development and the opportunity to share experiences with others in a similar role.

This programme includes:

- * Induction day (all delegates to attend)
- * A choice of 3 from the 8 modules available
- * Plenary Session (all delegates to attend)

INDUCTION DAY

This one day course will be invaluable for all NQTs beginning their induction in September. This day will supplement in-school induction and you will have the opportunity to make contact with Norfolk Advisers and to get the 'big picture' of how Norfolk provides support for all NQTs. Hear from thriving teachers who have 'survived' induction, understand about statutory procedures and responsibilities. You will have opportunity to discuss and share a range of practical teaching and learning approaches and take part in fun networking opportunities.

Make sure you are there to meet others and hear essential information!

PLENARY SESSION

This half day session is an opportunity to look back on your NQT year and to engage with the many options for further professional development for your second year of teaching and beyond.

Participants will explore issues linked with sustaining and developing their career profile - including planning for promotion and responsibility (e.g. to subject leadership /coordination
