

2012

# Raising achievement in maths through the outdoors

## Norfolk Integrated Education Advisory Services (NIEAS)

**Audience:** Teachers, Senior Leaders, Headteachers, Teaching Assistants, NQTs, Subject Leaders in the primary phase

**Context:** This course explores how to use the outdoor environment to support the primary curriculum. Whilst the course is based at Holt Hall all of the activities and ideas shared will be transferable to all school environments. Throughout the day we hope to offer delegates the chance to begin making mathematical links using the outdoor environment.

By the end of the course participants will:

- begin to understand how to use the outdoor environment to support the primary mathematics curriculum
- have a number of ideas for activities to do with children that inspire them to develop their mathematical skills in the outdoors
- know where to go locate existing good practice, resources and further support
- have explored the beautiful grounds of Holt Hall and hopefully have a good sense of wellbeing

### Important Information:

Pre-course information will be emailed prior to the course.

Parts, or the majority, of the training day will be outside, whatever the weather! To ensure you are comfortable please wear/bring:

Walking boots or walking shoes/trainers that you don't mind getting muddy (waterproof if you have them)  
Hat and gloves

Long trousers  
Lots of warm layers  
Waterproof coat and trousers  
Suncream (if it's hot)  
Water bottle

**Course Code:** ECNJ8 B

**Course Date:** 16.10.12 from 9.30 – 4.00 pm at Holt Hall

**Course Fees:**

**Norfolk LA Schools - £163 / External Clients (inc Academies) - £184**
