

The Anti-Bullying Ambassadors Team would like to invite you to our Anti-Bullying Ambassadors event on Friday 26th October, Aylsham High School, Sir Williams Lane, Aylsham, Norfolk, NR11 6AN, 9.30am-3.30pm. (Please arrive for 9.30am for a 10am prompt start).

Whether your Ambassadors are brand new or have been in the role for a while now this event is an opportunity to meet other schools and young people in the East region looking through your anti-bullying achievements, gaining new ideas and tips as well as sharing best practice. If you're brand new to the programme, this is an ideal event to develop your ideas, receive basic training and leave inspired and excited!

The event will include:

- Basic training and practical ideas to take back
- Networking session- sharing good practice and ideas
- Great video examples of what schools have achieved to really bring alive what it means to be an Anti-Bullying school
- Staff session discussing top tips on further developing Anti-Bullying work and taking it to even greater heights.
- Details of exciting opportunities we have for great anti-bullying ambassadors/schools carrying out great anti-bullying work. Recently we had an event which took place at London's Google headquarters with celebrities and school minister Nick Gibb MP. We are always on the lookout for best practice to show off to Government and other interested organisations.
- Plus lots more...

We would love for you to attend this event as it will definitely give you a better understanding of the programme, fresh ideas and also the chance to meet fellow ambassador schools.

If you are interested in attending, do confirm as soon as possible, you can do this by sending us the names and year group of the ambassadors attending and any staff accompanying. Students will need to bring their own packed lunches, light refreshments will be available.

The maximum capacity for this event is 130 young people; we are giving schools the opportunity to invite up to 10 young people to this event at a cost of £5 per student. If you get another school to sign up, you will receive an extra 2 student spaces FREE. Spaces are filling up very fast; please book your places now!
