

GCSE English Summit - 9 October 2012

You may be aware that Leeds City Council is hosting a GCSE English Summit on 9th October. The summit will take place at Leeds Town Hall and will be led by headteachers for headteachers.

This is an **opportunity to keep the issue live** and to shape a co-ordinated response to the DfE consultation on the proposed English Baccalaureate. There will also be an update on the current status of the legal challenge against OFQUAL, AQA and EdExcel.

Please can you distribute the below flyer as a matter of urgency and advise schools to book their place as soon as possible by completing the boxes, clicking submit and following the prompts. Alternatively, they can book their place at the summit by e-mailing their details to leeds.gcse.summit@leeds.gov.uk

We hope to see as many people there as possible.

Thank you for your support.
