the bear is back

Pudsey Paddle VI

5- 16th November 2012

Whitlingham Outdoor Education Centre is offering all Primary and Secondary schools in Norfolk the chance to take part in a fund raising event for the BBC Children in Need Appeal. From 5 - 16 November schools can book in their team/s to take part in a time trial race using the centre's Kata-kanus. The Katakanu is a very stable craft with two canoe hulls rafted together and can take up to six people in each.

3 craft can race at a time or if attending as a solo team can have their time recorded for the leader board.

It's a great opportunity to get outside, raise money for a good cause and have some fun. The event is also a great opportunity for heads and staff to find out more about what's available at Whitlingham Outdoor Education Centre.

There is no fee to pay to the centre but we ask that all competitors make a nominal donation to the appeal and use the centre's own pay in slips so we can record the final total.

Any schools interested should contact the centre by 31 October to book their slot.
