**Welcome to the autumn term edition of our schools newsletter, we hope you had an enjoyable summer break!**

With autumn already here and the nights drawing in your school can help brighten up the season and bring some Christmas cheer to the Cathedral by taking part in our Christmas workshops.

We are offering six Christmas art workshops with a view to exhibiting the children's work in the Hostry.

We took full advantage of the herb garden with schools this year and made quantities of lavender bags and herbal 'remedies' with the children as part of their Benedictine Monks Days.

Three schools were lucky enough to be filmed during their visits. One school was enjoying a Norman in Norwich day and the other two were taking part in It's a Monk's Life.

The footage will be included in a CD-ROM which will explore the story of the Bible and the Christian Year through our beautiful roof bosses. This exciting learning tool for schools will be available next year.

We hope you have a creative and cheerful term and we look forward to welcoming you soon!

With Warm Regards
