

2012

New Funding – Clusters and SEND

Norfolk Integrated Education Advisory Services (NIEAS)

Audience: Headteachers of all Norfolk schools

Context: A workshop for headteachers to consider the implications of a new funding regime on school and cluster budgets.

These will include:

- Budget Management
- SEND provision
- Staffing and HR

The session will also support headteachers in:

- Understanding the new funding formulae and their impact on school and cluster budgets
- Considering the implications for their institution and cluster
- Developing a school and cluster response, taking account of HR/Finance etc
