Services to Schools IDEAL Packages

(Improve, Develop, Evaluate, Achieve, Lead)

These flexible packages are designed to assist with school improvement and development.

Norfolk Integrated Education Advisory Services
(NIEAS)

Multi Purpose & Single Focus IDEAL Packages

Features:

- Three / two days equivalent of school based advice to support professional development relating to one or more than one key area
- Named NIEAS advisers
- A record of the visit (optional)

Benefits:

- Receive an objective view of school practice and performance
- Collaboration over the programme of support and staff development
- Flexibility to meet one or more area requiring development and improvement, including enhancing staff performance
- Purchase additional time, as required, to match time lines

Use the service to:

- Up skill staff to fulfil key roles across the curriculum
- Increase shared accountability across the school
- Use classroom observation to improve practice
- Improve readiness for re-inspection
- Embed quality assurance through joint working via learning walks, observations, data analysis and work scrutiny

Cost:

- Multi Purpose IDEAL Package (3 days) £1800
- Single Focus IDEAL Package (2 days) £1250

How to purchase: Email your request to
CS.NIEASAdviceandSupport@norfolk.gov.uk
