Norfolk PE Teaching Competence Standards - NPETCS

This **new nationally accredited** course is specifically aimed at:
Teaching Assistants / HLTA's – supporting high quality PE and the new
£150 million national funding for PE and securing a legacy from London 2012

Physical Education
Norfolk PE Teaching Competence Standards - NPETCS

Providing a quality assured, accredited training programme to boost staff competence and confidence in teaching high quality PE.

Ten specific modules covering every aspect of teaching PE, including the **new curriculum** and embedding the findings of the most recent **Ofsted subject report**. This well recognised and nationally recognised course remains subsidised to allow schools to use their new funding to access this high quality training package.

Accredited at **Level 3** the course offers high quality professional development and a specific qualification in teaching PE – ideal for raising standards or even PPA. Fully compliant with the terms of the ring-fenced funding and Ofsted accountability guaranteed. Help us achieve our vision of every child in a Norfolk Primary school receiving a high quality PE experience and entitlement by up-skilling your staff through this new 2 year funding window. The course is fully accredited and is **highly recommended**.

This course also embeds the County Gymnastics Award.
