Safe Practice and Safeguarding in Physical Education and Sport

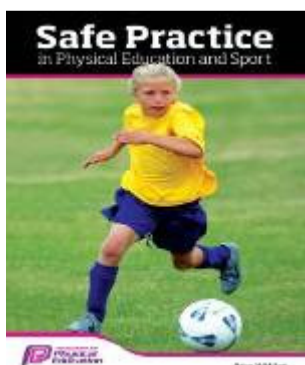

This course aimed at: Secondary PE staff in ALL schools, including Academies and Free Schools

Physical Education - Secondary

Teaching Safety – Teaching Safely

This course is organised due to recent demands and concerns in this area from schools.

This specialist and bespoke course is designed to support secondary schools ensure compliance with all safe practice guidelines. Delivered by the nationally recognised expert and author of “**Safe Practice in Physical Education and School Sport**” (2012) – **Peter Whitlam**, this is a chance for an interactive session to review **your** practice, SAP's, emergency procedures, risk management portfolio, safeguarding policies and practice to ensure compliance and best practice. Ask the expert. Don't leave it to chance, build safety into your teaching and practice. This course is **Highly Recommended for ALL Secondary PE specialists**. [Places are limited to max. two per school].
