# Discover, Share, Inspire

## Norfolk's Café Conference

Norfolk Integrated Education Advisory  
Services (NIEAS)

### Audience:

This conference is in recognition of the success of Cafés in over 500+ schools, early years settings, museums and libraries in Norfolk and beyond. It will be of interest to those schools/early years settings already running Story, Reading or Maths Cafés and for those who just want to find out more.

### Context:

Neil Griffiths (originator of the worldwide, highly acclaimed Storysack phenomenon, educationalist and children's author) is our key note speaker. Neil has a wealth of experience, a gift of story, a passion for teaching and love of children's literature. Let Neil inspire you.

### There will be;

- a choice of workshops (details to be confirmed) but these will include play themes in Café sessions, how to use Cafés to support phonics, taking Cafés outdoors,
- presentations to help you discover how to enhance and develop your Café Programme,
- books to browse (Library Service and Norfolk Children's Book Centre),
- opportunity to meet with other colleagues and share some of your Café practice.
