WAVE 3 LITERACY

Synthetic Phonics Reading Intervention using Sound Discovery® Steps 4 to 7
Use of further steps of this systematic phonics programme approved by the DfE

Educational Psychology and Specialist Support is running a course for SENCOs, Teachers and Teaching Assistants in Upper Primary or Secondary Schools.

It is essential that delegates have had previous training in or have sound experience of Sound Discovery/Rapid Phonics Steps 1 to 3.

Steps 4- 7 are appropriate for students who have gained skills in steps 1-3 Sound Discovery/Rapid Phonics but who will continue to benefit from a structured synthetic phonics programme.

The day will consist of practical activities to aid understanding of and proficiency in the basic principles of reading and spelling longer words and will provide an overview of Sound Discovery Steps 4 -7.

There will be demonstrations of lessons from Steps 4 to 7 and opportunities for delegates to practice their skills in teaching synthetic phonics using these resources.

We are very fortunate to welcome **Dr. Marlynn Grant**, Chartered Educational Psychologist and **author of the high quality phonics programmes Sound Discovery & Rapid Phonics**, who will lead the day's training.

The training session will take place at the **Abbey Conference Centre, Norwich** on the following date:

Friday 27th September 2013: 9.15am – 4pm (coffee/tea on arrival from 8.45am)

Cost:

£100 per delegate including refreshments and lunch

Places on the above course are limited, and will be allocated **only on receipt of the completed booking forms**. The forms can be emailed or posted.

Letters of confirmation will be emailed to successful applicants. Please do not assume you have a place until you receive this confirmation. In the event of non-attendance, schools may be charged.

For more information about the Sound Discovery programme please contact:

Bridget Tinsey, Business Support Officer at Children's Services, Carrow House, Level 2, 301 King Street, Norwich, NR1 2TN. Tel. 01603 307553 or csbusinesssupport.epss@norfolk.gov.uk

Joan McLauchlan Senior Specialist Teacher, EPSS
