

Norfolk PE Teaching Competence Standards - NPETCS

The Perfect Solution:

Teaching Assistants / HLTA's – supporting high quality PE and the new £150 million national funding for PE Sport

Increase in
number of places
due to potential
second cohort as
demand so high!

Providing a quality assured, accredited training programme to boost staff competence and confidence in teaching high quality PE. Specific modules cover every aspect of teaching PE, including the new curriculum and embedding the findings of the most recent Ofsted subject report.

This well recognised and nationally accredited course remains subsidised to allow schools to use their new funding to access this high quality training package. Accredited at **Level 3** the course offers high quality professional development and a specific qualification in teaching PE – ideal for raising and sustaining high standards in PE or even ensuring high quality PE through PPA.

Fully compliant with the terms of the ring-fenced funding and Ofsted accountability guaranteed. Help us achieve our vision of every child in a Norfolk Primary school receiving a high quality PE experience and entitlement by up-skilling your staff through this new 2 year funding window. The course is fully accredited and is **highly recommended – don't miss this opportunity!**

This course also embeds the County Gymnastics Award.
