Norfolk Mathematics Conference

'Infinity and Beyond'

Book
Now!

This will be the second cross-phase conference held in Norfolk, building on the huge success of last year's conference. It is a chance for delegates to hear from a national keynote speaker on mathematics education, meet a wide range of publishers and experience a variety of workshops covering the teaching and learning of mathematics in all phases from EYFS to KS4.

This year's keynote speaker is
Ofsted's National Adviser for Mathematics:
Jane Jones HMI.

She will share her knowledge and expertise on developing outstanding mathematics learning in a school. As National Adviser for Mathematics since 2006, Jane has led Ofsted's curriculum and dissemination work in mathematics. Her publications include: *'Good practice in primary mathematics'*, *'Mathematics: understanding the score'* and *'Mathematics: made to measure'*.

All workshops will be hands-on and focused on improving teaching and learning in the classroom, led by practitioners from teaching schools, MaST teachers, leading teachers, subject experts and mathematics advisers.
