

Outstanding English Programme

This series of 2-day programmes for primary and secondary teachers will focus on subject knowledge, pedagogy and the role of coaching. It will support teachers who have the potential to be outstanding.

- explore innovative and imaginative resources
- consider how to develop learners' engagement and creativity
- consider how to enhance AfL and develop effective marking strategies
- understand the place of grammar in the development of writing and response to text
- consider how to develop high levels of functional literacy
- be informed about current best practice, research and initiatives in English and literacy education.
