# Improving EYFS Programme

*A series of 3-day programmes aimed at primary teachers seeking to improve their practice in teaching in the EYFS. A chance to get together and develop skills with a clear focus in mind.*

This programme will improve the EYFS curricular knowledge, skills and pedagogy of those seeking to develop their existing practice in the planning, assessment, teaching and learning in the EYFS.

Delegates will be given access to relevant resources to support their development and reflection through an on-line space.
