Learning behaviours: behaviours for learning

**‘When inspectors observe teaching,
they observe pupils’ learning.’**

Delegates will examine the current Ofsted framework, along with the subsidiary guidance and Teachers’ Standards, to make clear current requirements of schools regarding to behaviour and learning. The links between pupils’ learning and ‘learning behaviours’ will be explored at a classroom and school-wide level. Delegates will examine how learning behaviour is used to evaluate the effectiveness of teaching and will develop success criteria for this. A simple and effective approach to observation of learning behaviours will be considered as will the need for pupils to use and apply learning behaviours and to evaluate the impact of this on a range of outcomes.
