

Raising achievement in mathematics through the outdoors

How to use the outdoor environment to support the primary mathematics curriculum.

Provides the delegates with a programme of carefully designed, enjoyable activities and opportunities for mathematical learning outside the classroom. Whilst the course is based at Holt Hall, all the activities and ideas shared will be transferable to all school environments. Be prepared to take part whatever the weather!

- Be able to use the outdoor environment to support the primary mathematics curriculum
- Gain a number of ideas for activities for children to undertake that inspire them to develop their mathematics skills in the outdoors
- Experience a range of interactive evaluation techniques that can support judgement of the impact of the activities on pupils' learning
- Signpost to school staff existing good practice, resources and further support
- Explore the beautiful grounds of Holt Hall Environmental and Outdoor Learning Centre.

Date and Time: 1.4.14 from 9.00 am - 4.00 pm

Venue: Holt Hall Field Studies Centre

Cost: £165 per delegate

Course Ref: ECNJ8
