# MAAS

## EAL teaching and learning strategies (Secondary)

Key principles when supporting secondary age students with English as an additional language (EAL)

Over this programme of three half-days, delegates will explore a range of learning and teaching approaches that support curriculum access and English language development both for young people who are new to English and those who are more advanced learners.

- Explore best classroom practice to ensure EAL pupils can access the curriculum
- Explore best classroom practice to improve the English language skills of EAL pupils
- Share ideas and resources
- Discuss the principles that underpin excellent provision for EAL pupils.
