Improving outcomes for looked after children –

Helping schools to support vulnerable and traumatised children

Virtual School
for Children in Care

Raising aspirations - Changing attitudes

In order to support Designated Teachers for Looked After Children in their statutory role, the Virtual School is offering a one-day training event.

Objectives and Outcomes:

- Be aware of the educational disadvantage faced by children in public care and understand the need for positive systems of support to overcome them
- Have an understanding of the attachment and emotional health needs of children and young people
- Be aware of the possible obstacles to achievement and consider the importance of enabling and supporting success
- Have considered how to establish an environment and ethos which encourages looked after children to value education and succeed
- Have an understanding of how to support children and young people in education and help them to access appropriate educational opportunities both in and out of school.

Date and Time: 01/04/14, 9.00 am - 4.00 pm
