Autism: From Research to Reality

The fourth annual conference from Autism Anglia

Autism Anglia invites you to
our fourth annual conference on 19th June 2014

The day will include seminars, workshops and presentations. Back by popular demand, Dean Beadle, who will be headlining the conference with more personal insights into living with autism. Also featuring Dr Fiona Scott who will explore contemporary research trends.

Just some of the topics covered will be...

- Self-esteem
- Anxiety
- Current Research
- Sensory Issues
- Management of Behaviour
- Intensive Interaction

The day will also feature a marketplace where relevant organisations will promote their products and services.

Who should attend?

The conference will be covering a variety of topics that will benefit...

- Parents and carers
- Individuals with autism
- Health and Education Professionals
- Social Workers
- Police Officers
- Essex County Council staff
- Anyone with an interest in autism services
