

Assuming the role of appraiser – *annual performance management of teachers*

Secure the knowledge, understanding and skills to undertake the role of appraiser effectively.

This morning course will enable senior teachers and leaders who have appraisal line management responsibility to fulfil their statutory responsibility effectively. The session will be a blend of information and activities to secure understanding of the process; constructing objectives, monitoring, assessing and recording progress.

- understand the appraisal process framework
- understand the revised link between appraisal, teaching standards, school improvement and capability, Ofsted and governance
- learn how to construct effective appraisal objectives
- consider the management of the appraisal monitoring, assessment and reporting process.
