Pupil Premium Conference: *Eastern Region*

We have been fortunate to secure the services of John Dunford as a keynote speaker at this Eastern Region Pupil Premium Conference.

John Dunford is the Chair of *Whole Education* and the *Chartered Institute of Educational Assessors*, the former General Secretary of the *Association of School and College Leaders* and in July 2013 he was appointed by the DfE to the role of **National Pupil Premium Champion**. In this position his responsibility will be to highlight and share examples of the best uses of the Pupil Premium around the country. He will also be able to raise issues identified by school leaders and teachers with the Department for Education.

In addition to John's keynote speech, there will also be input from **Lynne Gavin, Headteacher of Pakeman Primary School**, national primary winner in the *Pupil Premium Awards 2013* for raising the attainment of its disadvantaged pupils. This will be followed by workshops, including some led by System Leaders from the National College.
