

Teaching Effective SRE at KS2

Course Aims:

- Identify key issues underpinning need for effective SRE at KS2.
- Know how to develop an empowering and democratic learning environment.
- Consider ways to develop positive parental inclusion with SRE.
- Develop confidence in dealing with common classroom issues such as giggling and 'tricky questions'.
- Explore a range of active learning and assessment methods; including those that empower children.

"Sex and relationships education required improvement in over a third of schools. In primary schools this was because too much emphasis was placed on friendships and relationships, leaving pupils ill-prepared for physical and emotional changes during puberty, which many begin to experience before they reach secondary school"
